## Doggie Dorms

Dogs are let out 4 times a day (roughly 5-6 hours) for bathroom breaks and exercise. Times may change depending on dog behavior and weather conditions. Safety is always our top priority. Again, we are more than willing to follow any instructions given by you, and at no extra charge. Our goal is to have a place where you want to take your pet and where they won't want to leave. Please let us know how we can best serve you and your pet's needs.

Please feel free to stop in and have a look at what we have to offer, and please bring your four-legged friend along to. We look forward to seeing new and friendly faces.

We are a VERY social kennel and dogs that stay with us must get along with other dogs. If you aren't sure on your dog's behavior we offer a free trial day so that we can assess your dog's behavior.

Trial days are offered on **Tuesdays -Thursdays only**. Dogs should be dropped off around 8am and picked up between 4-6pm. All new customers must first have a trial day to ensure the dog will have a safe and enjoyable stay.

While there are no bad dogs, there are dogs that aren't a good fit for our style of boarding. Our social atmosphere is only good if all the dogs are social. We have upwards of 60 dogs here and not all dogs react well to that situation.

Please call us and schedule a time to come in and learn more about our place and our process. **(414) 425-3766**
